

TachoListener Installation Guide

1. Exit the current TachoListener by right-clicking the tray icon at the bottom right of the screen (see Figure 1). Then click on "Exit" (Figure 2), and the TachoListener is finished (Figure 3).

2. Now click on the link that was provided to you (e.g. <https://TACHOfresh.eu/HTML/LISTENER/SetupTACHOlistenerEN.exe>) and carry out the installation steps.
3. Check the functionality of the TachoListener by logging in to the portal and seeing the blue arrow of the active TachoListener in the footer of your screen (Figure 4). This completes the installation and the install of the TachoListener.
